Product Description

Charge two devices simultaneously with the PowerBolt Duo from Kensington. The PowerBolt Duo has the power you need to simultaneously charge your iPad® and iPhone® , iPod or other mobile devices. It features two charging ports: the powerful 2.1 Amp port has the juice you need to charge your iPad® , while the 1 Amp port simultaneously charges your iPhone® , iPod or other mobile devices.

Features

- Charge two devices from one CLA power socket with two USB power ports

- 2.1 Amp USB port has the power to charge your iPad

- 1 Amp USB port charges your iPhone or iPod

- Features a reassuring power indicator light that illuminates to let you know it's working

- Compatible with most vehicle power ports

- Includes detachable 30 pin USB cable
